Representatives from Senate membership:

2nd Round Elections will be conducted by Faculty Senate on April 16 (3rd Election & At-Large: Sept 3)

In the first three elections, seats on some committees are restricted to a specific academic unit to provide balanced representation. Please submit nominations to Faculty Senate Secretary: aimee.miller@millersville.edu Nominations submitted in advance will be included on a printed ballot. However, nominations may still be made by senators at the meeting, and additional names will be included on the final ballots.

After the third regular election, any unfilled seats will be filled at-large by any faculty member for one year. At-large nominations are made concurrently with the third election and elections held as needed.
