Seniors and Freshmen: Your opinion matters!

Seniors and Freshmen, YOU CAN MAKE A DIFFERENCE! Let your voice be heard by Millersville. Take the NSSE (National Survey of Student Engagement) by April 30th, and give Millersville an opportunity to know more about your experiences as an undergraduate. Those who complete the survey before April 30th may also be eligible to receive an iPad Mini (donated by Student Services, Inc.) and other great incentives! Just check your MU email for an invitation that was sent yesterday from President Wubah. Your opinion matters!

If you have questions, please contact the office of Planning, Assessment and Analysis 717-871-7871.
