

Facilities Management Department Notice Dilworth Road Closure

Description:

Contractors will be installing mechanical equipment from the roof of Dilworth Building. This work will be completed early in the morning to minimize impacts to the campus community as well as the building occupants and visitors.

Event Timeframe:

<i>Beginning Date:</i>	<i>Thursday, May 30, 2019</i>	<i>6:00 a.m.</i>
<i>Ending Date:</i>	<i>Thursday, May 30, 2019</i>	<i>9:00 a.m.</i>

Campus Impact:

A crane will be erected along Dilworth Road for just the morning. Due to safety measures and swing radius, the entire street will be closed.

Vehicle access to Wickersham Hall and Lyle Hall will have to use Alumni Drive or University Drive. These two roads are immediate north of Dilworth Road.

"We are sorry for any inconveniences that this project/event may cause. Please contact Facilities Management at x7875 for additional information. Thank you for your cooperation and patience."
