

STUDENT ASSISTANTS NEEDED

2019 SUMMER SCIENCE TRAINING PROGRAM (SSTP)

The College of Science & Technology is looking for up to three students from the Colleges of Science & Technology or Education & Human Services to chaperone participants during the 2019 Summer Science Training Program (SSTP).

SSTP is an annual program offered by the College of Science and Technology for students in 8th to 12th grade that provides a learning opportunity in the sciences through classes given by MU faculty and staff.

- **Program Dates:** July 8-12 and July 15-19; 9 a.m. to 4 p.m. daily. Student chaperones can sign up to participate in one or both weeks of the program.
- **Application Deadline:** **JUNE 10, 2019** *NOTE: Student assistants must complete all required background clearances before being approved for participation.*
