SAVE THE DATE

PASSHE STEM Student Research Conference
November 2nd, 2019

Hosted by
Kutztown University of PA

This conference offers opportunities to all PASSHE students (undergraduate and graduate) to present any research they have conducted in the STEM disciplines*.

Call for student oral or poster presentations coming soon!

The conference will feature:

- A keynote speaker,

- Oral and poster presentations by undergraduate and graduate students,

- Awards for oral and poster presentations, and

- Lunch & refreshments!

The online application/registration for the conference will be available in August with the tentative **application deadline-Friday, October 11th, 2019 at 5:00pm.** Note that registration cost for accepted presenters and their mentors will be paid by the presenters' home university.

Contact: Dr. Yun Lu, Professor of Kutztown University, lu@kutztown.edu

*STEM disciplines include Anthropology, Astronomy, Biology, Chemistry, Computer & Information Sciences/Technology, Engineering & Engineering Technology, Environmental Science, Exercise Science, Geography, Geosciences, Health Sciences, Mathematics, Nursing, Physics, Psychology, Sociology, Therapeutic Recreation.
