
Our view: State schools' tuition freeze break welcome

Monday, July 15, 2019

This fall, students will receive a reprieve — the first tuition freeze in 21 years, thanks to a vote taken by the State System of Higher Education's Board of Governors on Wednesday.

Students from China visit West Chester University

Friday, July 12, 2019

High school students from several schools in Yangzhou, Jiangsu Province, China, began a three-week tour of the United States with a visit to West Chester University on July 9. Their trip was organized by DENO International Education Consultant LLC, a Philadelphia-area company that supports international students with their academic, extracurricular, and social lives in the U.S.
