

The 2019 Millersville Football season is upon us! We could not be more excited for September 5th when our Marauder Football team takes the field against Pace University.

With that being said, we have begun collecting pledges for the 2019 Marauder Touchdown Club. This has been a great fundraiser for our program and has given us the ability to provide our student athletes with a first class experience. All you need to do is email **your name, address, and pledge (per TD)** to MSutjak@millersville.edu. Then you can sit back and watch the Marauders score touchdowns this season! You will receive a pledge invoice for the amount owed (pledge per TD multiplied by TDs scored) at the conclusion of the season.

Thank you again for your support, we are looking forward to a great year!
