

A call for conference speakers; Share your knowledge with PASSHE students

The Student Government Association at Millersville University is proudly hosting this years Board of Student Government Presidents (BSGP) conference on Saturday, October 5th, 2019.

The conference encompasses all the student governments within the PASSHE system. Students are able to interact and learn from one another to improve their own student governments as well as strengthen the connection between the PASSHE schools.

In addition, students hear from key faculty and staff from the host institution in a series of breakout sessions. Topics discussed range from communication skills, crisis management, student engagement tactics, and leadership skills. Multiple breakout session times are available both in the morning and afternoon, each lasting one hour.

If you think you would be able to provide a meaningful breakout session to student leaders from across the Commonwealth, please reach out to amford@millersville.edu for inquiries or questions. **Deadline to submit is Friday, September 20th.**
