
Introducing the Campus Closet, a professional clothing bank for Millersville University students.

The Campus Professional Clothing Closet, originated by the School of Social Work in the College of Education and Human Services, aims to provide professional attire for any Millersville student who needs something to wear to a field experience, internship, or interview opportunity.

Items are donated by University community members - a variety of sizes and styles are already available.

The Campus Closet is located in The HUB at 121 N George . Students may schedule an appointment or drop in during Campus Cupboard hours (Monday through Friday 12:00 noon – 9:00 p.m.).

University community members who wish to donate professional attire may drop off items at The HUB.
