SEPTEMBER 15 TO OCTOBER 15

¡MES DE LA HERENCIA HISPANIA!

During National Hispanic Heritage Month we recognize the contributions made and the important presence of Hispanic and Latino Americans to the United States and celebrate their heritage and culture.

The day of September 15 is significant because it is the anniversary of independence for Latin American countries: Costa Rica, El Salvador, Guatemala, Honduras and Nicaragua. In addition, Mexico and Chile celebrate their independence days on September 16 and September 18, respectively.

During this month, we must reflect on both past and present contributions of many Hispanic and Latino Americans and acknowledge what members of the Hispanic and Latino community are facing daily within the United States.
