Last fall, Millersville Concerned Women (MCW), a group whose mission it is to empower women on campus to increase their academics, social and leadership skills, started an initiative called MCW Cares 4 You. The goal is to bless homeless women by providing feminine and hygiene products along with some winter necessities such as hats, gloves, scarves and new unworn socks.

In 2018, because of generous donations from our campus community, MCW was able to collect, assemble and deliver about 30 care packages to homeless women in Downtown Lancaster.

We are interested in continuing this initiative and ask that you consider helping us again. MCW has placed a box in Dilworth Building, McComsey Hall, McNairy Library, Student Memorial Center, Stayer Hall, and Winter Center. Boxes will be checked daily.

**Now through Friday, November 15, 2019 we will be collecting the following items: hats, gloves, scarves, new socks, toothpaste, toothbrushes, chapstick, deodorant, tampons, and pads.**

We ask that you please consider making a donation. Thank you!

If you have any questions, please contact Marilyn Retamar, MCW mentor, at (717) 871-4087.
