Brown Bag Session: Using Fictional Characters to Build an Assignment or Project

Dr. Lexi Hutto, Management & Marketing

November 5, 2019
Tuesday Common Hour
(12:05 – 1:10 PM)
McNairy 118

Sometimes you want students to develop original work they can’t copy from the Internet or other sources, yet still provide them with inspiration. In those cases, consider modeling assignments or projects around fictional characters. Ask students to apply key concepts from your course in novel situations using popular characters from movies, literature, etc. See examples of students building websites for fictional retailers featured in the Harry Potter series.

If you have any questions about events, check out the CAE website at www.millersville.edu/cae or email oliver.dreon@millersville.edu.
