
DEADLINE EXTENSION

2019 PASSHE STEM STUDENT RESEARCH CONFERENCE

Date: November 2nd, 2019

LOCATION: Kutztown University

NEW ABSTRACT Submission Deadline: Oct 18th, 2019

Hi, dear colleagues,

We decide to extend the abstract submission deadline to **Oct. 18th, 2019** in order to include more presentations, so if you haven't done so, please encourage your students (both undergraduate and graduate) to submit abstracts and present their research at 2019 PASSHE STEM Student Research Conference at Kutztown University on Nov 2nd.

This is a great opportunity for students to present their work and connect with students/faculty with other PASSHE universities! This conference features a keynote speech from Dr. Phillip Reed, oral presentation and poster sessions, six presentation awards in different categories, and free refreshments/lunch with no cost for presenting students as well as their mentors!

- Please click the following link to submit your presentation:
<https://www.kutztown.edu/events/passhe-stem-student-research-conference/submission/registration.html>
- Please check out the link below for more conference information:
<https://www.kutztown.edu/events/passhe-stem-student-research-conference.html>

Hope you could join us at the conference! Feel free to let me know if you have any questions.

Best

Yun Lu
