On Saturday, October 26, the Millersville Community-University Parade will be held throughout the borough of Millersville, which will directly affect traffic patterns relative to the MU campus. The parade begins at 9:00 a.m. and will continue for approximately 3 hours. Primarily, George Street is affected during this time period, as are several other roads in the borough. George Street will close at approximately 8:45 a.m. There will be NO parking permitted in front of the Student Memorial Center, nor on George Street, Landis Avenue and Herr Avenue, beginning at 12 midnight, October 25 through Saturday, October 26, 1:00 p.m.

The 2019 Millersville Community-University Parade is one of the largest ever in their history with over 2,300 people participating! The two-mile parade begins at Penn Manor High School, travels onto Herr Avenue, then onto Landis Avenue, turning left onto George Street and finally onto James Street. It will conclude on James Street. Over 150 entries: 23+ bands, 10 floats, fire apparatus vehicles, mascots, inflatable characters, antique vehicles, marching groups, university organizations, live animals (horses/dogs) and more will be on hand. Also included: a special salute to area veterans!

All students, faculty and staff are reminded to allow ample time in travel arrangements during this time period.

Please alert all respective entities that a detour will be in effect throughout the borough during the parade hours on Saturday, October 26.

(See the detour map and parade route attached or http://www.parade.millersville.edu/route.html )

The parade will be held rain or shine!

Please share this note with friends, family and business colleagues, particularly as it relates to road closings and alternative routes for Saturday morning in the borough of Millersville.
