SUBJECT: ANNOUNCEMENT OF MENTORSHIP OFFICE AND INTERIM ASSISTANT DIRECTOR APPOINTMENT

I am pleased to announce the establishment of a University Mentorship Office effective fall semester 2019, located in Experiential Learning and Career Management, Bedford House. The new office will facilitate programs, events, and initiatives that support existing and emerging mentorship programs on campus to enrich the student experience and build the culture of mentorship at the University.

Effective September 14, 2019, Ms. Audrey J. Bare, a current staff member in Experiential Learning and Career Management, was appointed to the position of Interim Assistant Director, Mentorship. Ms. Bare received a B.A. in international relations and an M.P.A. specializing in education policy from University of Delaware, as well as an M.Ed. in school counseling from Millersville University. In June 2017, Audrey joined Experiential Learning and Career Management as the Student Traineeship Program Coordinator to implement and administer a non-credit experiential learning program funded by the Lancaster County Community Foundation’s BB&T Economic Growth Fund. Prior to that she was a career counselor at Central Penn College and a program manager at the University of Delaware. Please join me in congratulating Ms. Bare on her new assignment.
