Call for Student Researchers and Mentors!
The President’s Commission on Cultural Diversity & Inclusion (PCCDI)

Students: Are you interested in a PAID summer undergraduate research experience?

Come learn more about our Research & Mentoring Initiative (RMI). We established RMI to support underrepresented or first generation undergraduate students engaged in a collaborative relationship with research mentors for a five-week summer research project fostering self-advocacy and professional development.

Student Eligibility

- Be an underrepresented or first generation undergraduate student attending Millersville University
- Have a cumulative grade point average 2.0 -3.0 (at time of application)
- Have between 20-75 credits (at time of application)
- Identify a research mentor at Millersville University
- Be in residence during summer session III of 2019

Mentor Eligibility

- Applicants for research mentors must be a faculty, staff or administrator of Millersville University.
- Meet with the prospective student researcher to complete a research proposal application prior to the application deadline.

For more information, visit [http://www.millersville.edu/cdicomm/initiatives.php](http://www.millersville.edu/cdicomm/initiatives.php)

Or you can send your questions to cdi.commission@millersville.edu

This experience is sponsored by the President’s Commission on Cultural Diversity & Inclusion.
