

MU Dining Declining Balance Member

Do you know that you may use your Declining Balance (DB) dollars at the Upper Deck and all Dining Retail locations to purchase not only food and beverages, but convenience store items, paper products and balloons? You may use your DB dollars to buy a meal for a friend or friends, or a classmate who may not be able to afford a meal. DB dollars can be used to purchase a whole pizza at the Galley or at All Aboard to share with friends. We are at the end of the 10th week of classes, therefore your DB balance at this time should be approximately 1/3 of the initial value. The balance on your student account will be carried forward from Fall to Spring and added to your new Spring Semester DB dollars. Please let us know if you have any questions on how to better utilize your DB dollars prior to the end of the semester. Remember the Spring DB selection is right around the corner. Resident First-Year Students and Resident Students with less than 30 credit hours are required to have a \$2,100 DB level. All other Resident Students may choose between \$2,100, \$1,950 and \$1,700. Enjoy using your DB dollars for all your dining needs throughout campus and best wishes for a successful Fall Semester.
