Building Community: Creating a Culture of Compassion and Inclusion

Join us this semester as we continue to engage in meaningful dialogue. Everyone is welcome to these conversations; you do not have to live on campus to attend. You do not need to attend all sessions but doing so, will maximize the impact you can have on campus and the broader community. Together, through dialogue, we can learn ways to create the culture we want at Millersville University and restore justice, through compassionate and inclusive practices.
