

STUDENT ASSISTANTS NEEDED

2020 SUMMER SCIENCE TRAINING PROGRAM (SSTP)

The College of Science & Technology is looking for up to four students from the Colleges of Science & Technology or Education & Human Services to chaperone participants during the 2020 Summer Science Training Program (SSTP).

SSTP is an annual program offered by the College of Science and Technology for students in 8th to 12th grade that provides a learning opportunity in the sciences through classes given by MU faculty and staff.

- **Program Dates**: July 6-10 and July 13-17; 9 a.m. to 4 p.m. daily. Student chaperones can sign up to participate in one or both weeks of the program.
- **Wage**: 40 hours/week at \$9.75/hour
- **Application Deadline**: **JUNE 12, 2020**
NOTE: Student assistants must complete all required background clearances before being approved for participation.
