Facilities Management Department Notice  
East Frederick Street Partial Closure

**Description:**

*UGI is replacing a natural gas line crossing East Frederick Street. This work will impact both vehicle and pedestrian traffic along East Frederick Street.*

*UGI will have flaggers on site to direct traffic accordingly. Steel plates will be used to allow traffic flow along East Frederick Street.*

**Event Timeframe:**

- **Beginning Date:** Monday, March 2, 2020 9:00 a.m.
- **Ending Date:** Tuesday, March 3, 2020 4:30 p.m.

**Campus Impact:**

*Several parking spaces along East Frederick Street will be secured to facilitate the excavation.*

*Steel plates will be placed in the street to allow vehicle traffic during this line replacement. Intermittent closures will be needed to reposition the steel plates.*

*When UGI transfers service to the new line, natural gas will be secured to Breidenstine Hall for one-two hours.*

“We are sorry for any inconveniences that this project/event may cause. Please contact Facilities Management at x7875 for additional information. Thank you for your cooperation and patience.”
