Millersville University has decided to participate in the Great Colleges to Work For program, a national survey designed to recognize institutions that have built great workplaces.

Regardless of whether or not we are recognized, the data we receive will be helpful as we continue the process of creating the best workplace possible.

This survey is separate from the Culture of Engagement survey which was sponsored by PASSHE and completed in the fall semester by Gallagher Consulting.

On March 9, the survey will be distributed to a random selection of our employees. If you are included in this random sample, you will receive an invitation with details about the program and how to access the survey. This invitation will be sent to you via email from "Great Colleges".

If you receive the invitation, please take a moment to complete the survey. You will be representing not only yourself, but all your colleagues, so your feedback is invaluable! This is a chance to make your voice heard, and a high response rate helps ensure an accurate representation of our community. At the close of the program, we will receive topline reports that summarize the organizational competencies and relationships that most directly impact and influence our culture.

The survey is voluntary and completely confidential; our institution will not be able to trace results back to individuals. Your survey will be processed by ModernThink LLC, an independent management consulting firm focusing on workplace quality in higher education. They can be reached at 888.684.4658 or at surveys@modernthink.net. We encourage everyone’s participation and hope you will take this opportunity to share your honest feedback!

Thank you, in advance, for your participation.
