COVID-19 IMPLICATIONS & WHAT OUR COMMUNITY SHOULD KNOW FOR

Ramadan
April 23-May 23

- Ramadan is the ninth month of the Islamic calendar, observed by Muslims worldwide as a month of fasting, prayer, reflection and community!
- Practicing Muslim students will be fasting from dawn until dusk.
- Fasting means no food and no water.
- Ramadan often consists of prayers that go late into the night.
- Some students may stay up past midnight, and wakeup at 3:30/4 am to eat before dawn.

COVID-19 IMPLICATIONS:
Mental and Spiritual well-being may be affected, while trying to process how to observe and make adjustments due to social distancing and stay-at-home orders (gatherings, visiting mosques, etc.)

Due to Remote/Virtual Learning Model, think about how you will help/support students who are observing Ramadan, as this is taking place at the end of the semester (finals) and we are all adjusting to the new learning environment.
