

Support for Online Summer Courses

Millersville wants to ensure that you are supported if you need academic assistance in online courses this summer. We have some different resources available to you.

MATH ASSISTANCE CENTR (MAC):

For Summer Session I – the MAC through Zoom is available 11-2 on Monday through Thursdays. The zoom link is <https://millersville.zoom.us/j/91889954742>. Information is available on the math department website.

SMARTHINKING

We recognize that you need flexible options for after-hours or off-campus help, and that is why we provide you access to [Smarthinking](#)- a FREE on-demand tutoring service. Smarthinking provides you with easy access to expert tutors - on demand or by appointment - across a wide range of subjects—up to 24 hours a day 7 days a week.

Throughout the summer semester, this service is FREE for you to use for online tutoring or writing support. To learn more about the service watch the [Smarthinking online tutoring](#) videos.

To access Smarthinking, follow these simple steps:

1. Log into D2L
2. Go to the University tab on the top navigation bar
3. When you click the drop down arrow, there is a link for Smarthinking directly under the link for Student Support Resources

STUDENT SUCCESS COACHING

For students who need academic support for non-course content (i.e. time management, completing online assignments, mastering self-directed learning, metacognition, note taking in online courses, etc.), success coaching is available. Contact advisor@millersville.edu for additional information.

OTHER SUPPORT

If something is not covered, please check in with your academic department. They may be hosting tutoring support over the summer.
