CENTER FOR ACADEMIC EXCELLENCE

The Center for Academic Excellence (CAE) and Instructional & Technology Support (I&TS) are expecting a majority of courses to be delivered via remote instruction Fall 2020. To provide meaningful asynchronous and synchronous technology and pedagogy support, we are asking that faculty complete the following anonymous needs assessment survey.

Please complete the following survey by July 1st, 2020.

The asynchronous and synchronous sessions will be available July 7th – August 7th to support faculty planning courses in remote modalities.

If you have any questions feel free to email Dr. Nicole Pfannenstiel, Interim Director, CAE (ambernicole.pfannenstiel@millersville.edu).
