

We The People Digital First Friday

"A Joyful Noise"

Friday, July 3 | 7 P.M.

LIVE ON FACEBOOK!

"A Joyful Noise" is a reaction to our current moment, when joy can seem counterintuitive. It's also about the most eclectic concert you'll hear in a long time. Maria Thompson Corley is a Juilliard-trained classical pianist, and her daughter, Kiana, is a pop/jazz singer/songwriter. Each of them has chosen music that makes them happy (no minor keys here!) to perform as soloists, bookended by two collaborations, with a special remote guest performer highlighting one of them.

Composers include Federico Mompou, Maurice Ravel, Claude Debussy, Florence Price, Scott Joplin, Frederic Chopin, Johnny Burke and Erroll Garner, Corinne Bailey Rae, Burt Bacharach and Hal David, and Carole King.

All proceeds from the virtual tip jar will go to CAPLANC. [Save this link](#) to enjoy the concert Friday night!
