Division of Student Affairs and Enrollment Management

Counseling Center

The Millersville University Counseling Center would like to take this moment to reaffirm our commitment to support you, our students, as you face and process the injustices and oppressions that prevail in this country. We are honored to stand with you as you build a more equitable future for us all, both in and outside the classroom.

The Counseling Center has always and will always condemn racism, bigotry, and the unequal treatment of human beings on any basis of identity

Our doors are open as always to our students of color who wish to process their experiences in a safe space where they are valued and affirmed. And for those who have not faced oppression personally, we hope you will consider the Counseling Center a place to reflect and deepen your capacity as allies.

If you need support, we hope you will reach out to us.

Our services are currently remote and available by calling 717-871-7821.
