

About Fund the 'Ville

Fund the 'Ville is Millersville University's new crowdfunding platform, designed to empower the MU students, faculty, and staff, to raise the funds needed for projects, events and efforts that will make a difference within the Millersville University community. Projects get posted to the Fund the 'Ville site where you can track their progress and share with family and friends. Donors can browse the site's campaigns and find ones that matter to them.

All crowdfunding campaign applications are subject for approval by University Advancement and all applicants will be contacted to determine next steps with respect to their crowdfunding project.

 - Projects should be:
 - Specific – be clear about what you're trying to fund
 - Attainable – make sure you can complete your project once you reach your goal
 - Realistic – your goal should be in-line with the size of your donor base

- Time-bound – why is it important to make a donation right now?
- ✓ A thought-out timeframe – *campaigns will remain active on the site for up to 60 days*
- ✓ A thought-out marketing and outreach strategy – *who will be your target audience?*
