Dear Marauder,

I would like to extend my warmest welcome to you as a returning student. Our faculty and staff have been working throughout the summer to ensure that you continue to have an excellent academic experience at Millersville this fall.

The final revisions to the fall schedule are now complete, and you should be able to review your courses in Web Schedule or in Max. While more than 80% of our courses will be delivered remotely, we are attempting to hold as many experiential courses, including labs, performance classes, and studios, on campus as possible. Your health and safety are our number one priority

If you would like to change your schedule, we ask that you contact either your major advisor, department chair, or one of our advisors in the Department of Academic Advising before doing so. You can reach one of the Academic Advisement faculty at Dr. David Henriques (David.Henriques@millersville.edu or at 717-871-7611), Mr. Joe Sciarretta (Joe.Sciarretta@millersville.edu or at 717-871-7609), or Dr. Margaret Mbindyo (Margaret.Mbindyo@millersville.edu or at 717-871-7608).

We look forward to your return. Please stay safe and healthy until then.

Sincerely,

Vilas A. Prabhu
Provost and Vice President for Academic Affairs
