

The Executive Board of AFSCME Local 2421 shares the following announcements:

Labor Day

For the Fall 2020 semester, Millersville University has decided to hold classes on Labor Day. As a result, and for those members who are working the holiday, we acknowledge that while it is a contractually negotiated holiday, the contract/master agreement that our union has agreed to is what is to be followed.

Please review the [2019-2023 Master Agreement](#), specifically, Article 10, Section 6, on page 14 of that agreement to understand what you are entitled to.

If you have questions or concerns on how to proceed, please reach out to your Local 2421 Executive board via email afscmelocal2421@gmail.com
