RE: Professor letters regarding students receiving accommodations

During the week of August 10, 2020, the Office of Learning Services will be emailing memos to professors regarding accommodations for students in their classes for the Fall 2020 semester.

Students wishing to use their accommodations in classes should speak with their professors early in the semester to verify professors received your information and to arrive at mutually satisfactory arrangements. If you have a professor who has not received your accommodation letter by August 17th, or you add classes during the semester, please contact our office immediately so we can send appropriate letters.

For any questions, please contact our office at Learning.Services@millersville.edu or 717-871- 5554.
