

FACULTY MENTORING COMMITTEE

The Faculty Mentoring Committee (FMC) will provide direction and oversight to the mentoring efforts for faculty on campus. The FMC will meet monthly to discuss upcoming mentoring programs and to provide guidance to the FMP Fellows. Committee members will serve two year terms and be directly involved with assessing the faculty mentoring efforts on campus and use assessment data to inform future programming.

If you are interested in joining this committee, please contact Leslie Gates (leslie.gates@millersville.edu)
