CENTER FOR ACADEMIC EXCELLENCE

Disciplinary Collaborators- Open Office Hours

The Center for Academic Excellence is working with Disciplinary Collaborator faculty to support the ongoing needs of faculty developing online courses. The Disciplinary Collaborators will host open office hours! We invite all faculty to join in, bring questions, or simply come for conversation related to the topic. We are using these times to support your pedagogical choices as we navigate Fall 2020.

Drop in anytime during the session! We want to talk through your teaching ideas to help your classes run smoothly!
