About the Get \$50 Bonus: From July 1, 2020 to December 31, 2020, PSECU is running a new member promotion. To receive \$50, participants must join during the promotion period and satisfy the promotional requirements within 90 days of establishing membership. PSECU will deposit \$50 into the Regular share within 45 days after the requirements are satisfied. \$5 is required to open and maintain a Regular share account. This \$5 share deposit is also required to be eligible to receive the \$50, and the member must be in good standing as defined by PSECU's Bylaws Article II, Section 1. A \$5 minimum share purchase will be made on behalf of the new member by PSECU. If the member account is closed within the first year of membership, the initial \$5 share will be retained by PSECU. The Annual Percentage Yield on PSECU's Regular share account is .05%. This variable rate is current as of May 18, 2020 and may change. Withdrawals and fees may reduce earnings on the account.

*No purchase necessary. To receive \$50, new members (age 18 or older) must: join PSECU before December 31, 2020 at 11:59 p.m. (ET) with a promotional code; and sign up and be approved for a checking account, a PSECU debit card, and digital banking (online or mobile) account access within 90 days of establishing membership.

**Promo code is only needed for paper applications. When joining through psecu.com/students, a promo code is provided for you.
