## CENTER FOR ACADEMIC EXCELLENCE

### What's happening with COVID-19 at Millersville?

Join Dr. Duane Hagelgans, Millersville's Co-chair of the Incident Management Team (IMT) to hear what the IMT discusses each morning at 8 a.m. Hear how the team is accomplishing their main goal to keep faculty, staff and students safe, while keeping campus open. Through the first half of the semester issues have arisen on a daily basis in this new world, requiring the IMT to develop new procedures and protocols for dealing with the virus. The IMT is currently working on a Spring Risk Assessment and is relying upon the entire campus community to work together to keep us SAFE, and keep us OPEN. It will take all of us working together to accomplish these tasks. This is also your time to ask questions. **Join us on Thursday, October 29<sup>th</sup> from 12:05-1:10 pm.**
