Important Compliance Training Notice for Faculty and Staff

Access to the current LawRoom/Everfi platform that houses two required compliance training online courses, *Protect Children* and *Intersections: Preventing Harassment & Sexual Violence*, and our voluntary course *EDU: Clery Act Basics*, **will end on October 30, 2020**. Employees who have not completed these 2020 compliance trainings before October 30th will receive an email in November with access to the new Everfi platform. The course titles will differ slightly as follows:

- *Protect Children* will be reassigned as ***Protecting Youth and Neglect***
- *Intersections: Preventing Harassment & Sexual Violence* has been updated to ***Preventing Harassment & Discrimination***. (Please note that this revised course reflects updates in Title IX legislation.)

As a reminder, in addition to the two online courses, employees are required to complete the Drug Free Schools and Campuses Notice acknowledgement.

The deadline to complete compliance training is December 31, 2020.
