

FOREIGN LANGUAGE PLACEMENT TESTING

At Millersville University, a placement test in French, German and Spanish is available online free of charge for students interested in taking a foreign language.

Who needs to take the Foreign Language Placement Test?

All students seeking to take an initial language class other than at the Elementary I level (101) will need to complete the language placement registration.

Students who would like to take an Intermediate language class (201/202) or higher as well as all incoming students with a Language and Culture Studies major or minor are required to take the online language placement test.

How can I take the Placement Test?

Click on the link to complete the [online placement form](#) which will come back to the department; we will then contact you via e-mail with a password and the link to the placement test.
