

MARAUDER MILESTONES

As you know, Millersville University saw the return of our faculty and staff service recognition program last year. This program recognizes five year increments of service earned during the previous year. While it was our hope to recognize our recipients at an in-person celebration, restrictions on large events due to COVID-19 halted those gatherings.

On **October 22nd** and **November 4th**, between **10am and 2pm** each day, employees who attained a Marauder Milestone (notification via email has been sent to each recipient) are invited to stop by the Office of Human Resources in Dilworth Building to receive a certificate, service pin, and gift of appreciation. Recipients must be sure to have completed the COVID health questionnaire on the LiveSafe app and received a green checkmark prior to arriving on campus. Masks are required.
