

Millersville Students,

We hope the end of the semester is treating you well.

There have been a variety of students voicing concerns and comments about Millersville Dining Services. In response, Millersville will be holding a town hall in order to give students a better understanding of what changes will mean and give students a chance to voice their concerns directly. This is an opportunity to participate in conversation and ask questions to those who make decisions about your dining plan. We hope to see you there!

**Time: Nov 4, 2020 06:00 PM Eastern Time**
