SPRING 2020

VA Enrollment Certification

Students must fill out the **VA Enrollment Certification Form** each semester *after* you register for classes. Remember, certification with the VA is not automatic!

Recommended Deadline for Spring: December 18th, 2020

This recommended deadline is to ensure your benefits will be processed in a timely manner.

NOTE: If you completed a VA Enrollment Certification form for the Fall 2020 semester, you will have a requirement placed under your Financial Aid requirements for the Spring 2020 VA Enrollment Certification form.

Forms can be printed from your computer, completed by you, and sent back to the Office of Financial Aid – Attn: VA Certifying Official, via email, fax, or in person. Our email address is fa.mail@millersville.edu, and our fax number is (717)871-7980.
