

Bonnie Jolly (1940-2020) passed away in Bonita Springs, Florida on Saturday, November 21 after an illness. She was the beloved wife of Prof. James A. Jolly, retired from the Millersville University history department. Bonnie was assistant professor of Library Science (1966-1973) and she supervised the Education Curriculum holdings. She was also past president of the Campus Club. She and her husband were active in numerous community organizations and causes. They relocated to Florida in 2017.
