## Save the Date for this year's One Day Give! February 25, 2021

Millersville University's eighth-annual one-day giving event is coming! This 18-hour event is the perfect time to "give to what you love" and support Millersville students through donations to your favorite program, college, academic department or athletic team at the 'Ville.

This year's One Day Give, which will run from **6 a.m. through midnight**, will see the return of the Athletics Giving Leaderboard as well as a wide variety of other challenges, drawings and contests. Donating on One Day Give helps your gifts go further through matching funds and unlocking large challenge gifts.

Mark your calendar to make a gift on February 25 and share this date with your classmates and friends. Also, visit [millersville.edu/onedaygive](https://millersville.edu/onedaygive) for the latest news and updates on this year's One Day Give.
